(Dilemmas in Politics)

1. What do you understand by the moral economy of violence? Answer the question in the light of the political violence and the dichotomies between the narratives of 'victims' and 'oppressors'.

16

Or

What do you mean by the politics of exclusion? Try to explain it in the context of the Women's Reservation Bill.

2. Define Human Rights and discuss their significance in the present world.

16

Or

"The concept of human rights is a product of historical development. Countries at different stages of development or with different historical traditions and cultural backgrounds also have different understandings and

practices of human rights." Elucidate the statement in the context of the debate between the relativists and the universalists.

3. Critically discuss how social movement can shape the environmental politics. Explain with examples.

Or

Suggest the measures to empower the poor and marginalized that they are able to influence the policymaking process in order to enhance their capabilities.

4. What is Global Justice? Explain briefly your take on Global justice vs. National sovereignty.

Or

Critically evaluate the legitimacy of humanitarian intervention and State sovereignty.

5. Debate the feminist claim 'the personal is political' with suitable example.

Or

“There has been a proliferation of feminist perspectives due to the problematization of women as a coherent and unified category.” Within this context, explain how politics of interpretation impacts the consolidation of women for addressing their issues.
